

J.G. WORKS

MADE BY J.G.WORKS HONG KONG LTD.....

A47 SERIES

AUTOMATIC ELECTRIC GUN SERIES

Over two decades in this field.

Founded in 1986, we at Made By J.G. Works(Hong Kong) Limited mainly produces zinc alloy, aluminum alloy, and electric plastic model guns, R/C toys. For more than 10 years, we have been delivering quality products bearing 'J.G.' brand to satisfy clients throughout Europe, Southeast Asia and the Americas. Backed by such solid industry experience, we are sure to bring you high-quality products and excellent services.

Five new items monthly, a **Zero**-return record

With over 20 years of abundant experiences of our R&D team includes engineers in different development expertise, we can develop at least five new items monthly. Our R&D staff can also speak with you directly in English, having your ideas rendered into real samples accurately and quickly at our in-house molding workshop. Moreover, with stringent QC procedures and 20 well experienced QC staffs' efforts, we have been keeping a zero product return record.

20,000 pieces produced monthly in our own factory

We utilize advanced production machinery including high-precision equipment sourced from Germany. With 200 skillful workers and four efficient production lines, we can produce up to 20,000 pieces of airsoft gun every month in our own factory. Implementing an ERP system, we ensure our production is of high efficiency, while at lower costs. For order under 500 units, we can ship them to you in as fast as one week.

To take advantage of our substantial industry experience of more than two decades, contact us today.

AVAILABLE VERSION:

-MG:PLASTIC VERSION,METAL GEAR BOX;

-T:FULL METAL VERSION,METAL GEAR BOX;

-BT:FULL METAL VERSION;REAR WOOD GRIP AND HANDGUARD,UPGRADED GEAR BOX,CIRCUIT PROTECTION.
